DEBT IS CUT \$59,000,000 NINE MONTHS — ORDINARY REVENUE OF DOMINION AMOUNTED TO \$351,287,325, INCREASE OF \$6,000,000

Ottawa, Jan. 9.—(C.P.)—The three quarter mark in the present fiscal year finds Canada with increased revenues, increased expenditures and a substantial drop in the net debt of the Dominion. The statement of the department of finance shows total ordinary revenue of the Dominion as amounting to \$351,287,325 for the nine months of the present fiscal year which closed on December 31 last. For the corresponding nine months period of the preceding fiscal year ordinary revenues totalled \$345,282,544. The increase, therefore, amounts to \$6,004,781.

Greater Expenditures
Ordinary expenditure of the Dominion for the nine months just closed amounted to \$265,141,767 or \$14,220,855 more than during the corresponding period a year ago. It is

pointed out that today's statement reports only the receipts and payments which have passed through the books of the finance department up to the last day of December. The net debt of the Dominion on December 1 last amounted to \$2,159,214,530. On December 31, 1929 the total net debt was \$2,218,693,434. There was, consequently, a decrease amounting to \$59,378,704 on the basis of the figures presented.

MACLEOD REBEKAH LODGE INSTALLS OFFICERS

The Rebekah Lodge No. 23 of Macleod had a big night on Tuesday. First of all they had an initiation ceremony, adding two new recruits to the membership of the Lodge. The beautiful work of this ceremony was put on by the degree team in almost perfect manner, creating a delightful impression, not only on the candidates, but on all present.

Immediately following the initiation the installation of the officers for 1930 took place. Sister Ruth Whitworth, District Deputy President, was the installing officer and she was assisted by the following: D. D. War, Sis. E. F. Brown, P.P., A.A.; D.D.R. Sis. S. Hartley; D.D. P. Sec. Bro. After the ceremonies were concluded the large company sat down to a banquet and when due attention had been given to the good things spread on the festive board, Sis. Whitworth with a lovely silk scarf and Sis. Amelia Gillespie with a Past Noble Grand Jewel.

MACLEOD ELKS GIVE ANNUAL BALL

The annual ball of the Macleod Elks held in their spacious club rooms last evening proved to be one of the outstanding social events of the season. Nearly three hundred invited guests attended and the members of B. P. O. E. No. 129 spared no expense or trouble to make the dance the best possible. The hall was beautifully decorated in purple and white while the stage light was changed in a purple and white shade with a large purple spotlight casting a soft radiant purple glow over the hall and the moonlight waltz numbers with their special lighting facilities proved likeable numbers.

Exalted Ruler and Mrs. Darrold Davis received the guests as they entered. Mrs. Davis carrying a beautiful bouquet of roses the gift of the officers of the lodge. Every lady was presented with a beautiful carnation on their entrance into the hall. At 12:30 supper was served after which the dancing was continued until 3 a. m. The Lethbridge Marquis orchestra under the leadership of "Jerry" Bastyan, furnished the music which was unanimously voted the best dance music heard in Macleod for many a long day. Leading Knight Ray Baker made an efficient master of ceremonies, while the different committees are to be complimented on their work in showing such apt preparedness in handling the large crowd.

BRITAIN READY FOR REDUCTION 20 CRUISERS—STATEMENT BY FIRST LORD OF ADMIRALTY IN HOUSE OF COMMONS

Sheffield, Jan. 10.—Right Hon. A. V. Alexander, first lord of the admiralty and one of the British delegates to the forthcoming naval disarmament conference, announced in an address this evening that Great Britain will go to the conference prepared to agree to reduce her cruisers from 70 to 50. The latter figure, he declared, represented the minimum needs of the empire under present conditions.

Mr. Alexander said that while after the Washington conference the admiralty had agreed that 70 cruisers were necessary for the defence of Great Britain's world wide vital sea communication, "we have now been taken to account the new situation of the pact of Paris outlawing war by most of the nations of the world."

Press Warning

London, Jan. 11.—Announcement of Right Hon. A. V. Alexander, first lord of the admiralty, that Great Britain is willing to reduce its cruisers complement from 70 to 50, has not found its way into the British press, as he may have hoped.

But two papers commented on his speech made at Sheffield, and in editorial of both there was a distinct note of warning and fear lest the Briand-Kellogg pact, as a guarantee of peace, was being over-rated, and Great Britain's security be compromised.

The Times called for a more detailed explanation as to how the reduction was justified, and argued that the peaceful outlook of the moment was due rather to universal weariness than to international agreements.

"The Briand-Kellogg pact — all honor to it — is a masterpiece of an existing state of affairs, but did not create a new situation," the Times said. "For this reason there is not a case merely in being signatory to the pact for such a substantial change of view."

Even assuming the possibility of war is at present negligible, the paper contends, it is beginning at the wrong end to cut down our cruisers which are needed for peace as well as war, instead of dealing

ORTON SCHOOL DISTRICT ANNUAL MEETING

The largest, most interesting and enthusiastic annual meeting ever held in the Orton Schoolhouse, was held on Friday afternoon of last week, when about 50 persons were present. The pupils of the senior room, grades seven to ten, were specially invited, as it was thought that it would be an education to them to hear how the business of the district was conducted. Evidently it was a very good suggestion, as the pupils seemed much interested in the proceedings.

The reports presented by the Secretary-Treasurer were all very satisfactory. The collection of taxes showed the largest amount collected ever known in the district, which leaves the smallest amount of arrears on the books for many years.

The opening of the senior room in the basement of the New Church, last September will prove a great benefit to the young people of the district who desire a higher education. The need for the higher grades is clearly shown by the fact that 15 students are enrolled in grades 9 and 10. The old school was overcrowded with 45 pupils in the 8 grades, so grades 7 and 8 were transferred to the new room, making an enrollment of 26, and about 39 in junior room. Despite the fact of the large number of pupils in the eight grades during the term ending in June, Mrs. Murray, the teacher, presented 7 pupils in grade 8 for the exams.

Everyone of the seven, passed and are now taking grade IX.

"The question of a new school or adding another room to the old school was fully discussed, and the trustees were instructed to make enquiries as to probable plans and costs. The meeting was very enthusiastic over this question, and quite a number expressed their willingness to donate time and labor to help the work, the same as they had done in the building of the church.

Two trustees were elected, one of the old trustees having left the district. R. J. Hornberger was re-elected for three years and Benjamin Stephens was elected for one year. J. P. Tolley was re-elected as chairman and R. J. E. Gardiner re-elected as secretary-treasurer.

POOL OFFICIALS LEAVE NEXT WEEK TO MEET BRITISH GOVT. HEADS

Winnipeg, Jan. 9.—(By Canadian Press.)—Representatives of the Canadian Whist Pool will leave Winnipeg early next week for London, where they will confer with members of the British government. It was announced last night. Subjects of the conference were not disclosed, but the meeting was arranged during Wednesday's sessions of the 25th annual convention of the Alberta Agricultural Fairs Association, held in the rose room at the King Edward, with over 80 delegates in attendance.

The resolution, moved by J. F. Anderson, Jr., of Lethbridge, and seconded by H. Huxley of Lloydminster, recites that with the increasing interest in crop and home improvement, with the extension of various activities, livestock club work, etc., and in view of the fact that some associations have to deal with irrigation and dry farming conventions, the present act should be re-drafted so as to be more elastic and more workable in view of the changing conditions of agriculture in the province.

The slight increase in the price of varnish is normal. Winter resort photographers are revarnishing their wooden fish.

Taking advantage of their visit to England, the pool representative will meet Henry J. May, secretary and Sir Thomas Allen, director of the International Co-operative Alliance, in connection with a proposed conference of producers and consumers' co-operative organizations to be held next spring.

After an absence of nearly a year and a half, Harold Lloyd is returning to the screen, making the occasion an auspicious one by presenting his first all-talking picture "Welcome Danger" at the Empress Theatre, Thursday, Friday and Saturday.

The comedian spent many months mastering the new screen technique, and in "Welcome Danger" is said to have developed what will prove the fastest production shown since the advent of talking pictures. He has not deviated from the old method of producing his comedies, maintaining all the speed and action of his past successes, but adding sound and dialogue as good measure entertainment.

Many of the scenes of "Welcome Danger" are laid in San Francisco's underground Chinatown, and combine action, romance, and mystery with a whirlwind series of laugh episodes.

Lloyd is one of the last of the premiere actors of the silent screen to yield to talking pictures, holding out against the new art until he was thoroughly convinced of its merit. Once sold on dialogue and sound, however, he plunged into the work of using it to the fullest degree, in the building up of his comedy, and the result is that "Welcome Danger" is hailed as one of the greatest triumphs of his long picture career.

A new leading lady is presented by Lloyd, Barbara Kent, who is a sure fire screen partner for the best of the best. She has an excellent voice and her performance in "Welcome Danger" is said to stamp her for picture progress.

BARTHELMLESS SCORES HIT AS SINGING CONVICT IN HIS LATEST FILM — UNUSUAL PLOT OF "WEARY RIVER" GIVES STAR MOST APPEALING ROLE—MONDAY—TUESDAY—WEDNESDAY—

Richard Barthelmless—again! Again in a hit—one of the biggest in his career of hits.

The First National star who gave us "The Patent Leather Kid" and "The Noose," makes his appearance in the Empress Theatre Monday, Tuesday and Wednesday.

"Weary River" has given Barthelmless an unusual role to play. He has been given an exceptionally dramatic story to tell, a real, living, breathing character to portray, and situations brimming with extraordinary histrionic opportunities. And he takes full advantage of every one of them.

"Weary River" is the story of a man who was framed, sent to prison, disillusioned, inspired, finding himself in song and music, winning fame, fortune and love via the radio. It is strictly modern, teeming with action and movement and altogether designed as a great picture.

In the cast we are given Betty Compton, that always dependable actress, who gives one of her finest performances. Frank Lloyd's direction is of superlative calibre, and we are happy to be informed that he will also direct the next Barthelmless opus.

INCREASED GRANTS TO FAIRS SOUGHT — NEW AND MORE ELASTIC ACT IS ALSO URGED IN ALBERTA

Edmonton, Jan. 8.—A newer and more elastic agricultural fairs act and increased grants to fairs, based on 65-2-3 of the total prize money in place of the present 50 per cent, will be asked from the provincial government of Alberta, as the result of a unanimous resolution passed during Wednesday's sessions of the 25th annual convention of the Alberta Agricultural Fairs Association, held in the rose room at the King Edward, with over 80 delegates in attendance.

The resolution, moved by J. F. Anderson, Jr., of Lethbridge, and seconded by H. Following the hockey game at Carmangay the boys journeyed to Champion, winning the second game of the day by a score of 4-3. The Champion boys showed more speed skating than the Carmangay boys but even so they could not overcome the visiting team. The Granum team this year is made up entirely of last year's juniors with the exception of Tovey in goal.

On Monday night about seventy people enjoyed themselves playing bridge at the second of a series of Bridge Drives held at Reynolds' Hall. The first prize going to Mrs. C. G. Marsh and Mr. J. The local hockey team made a trip to Carmangay Saturday last defeating the team there in a fast game by 5-4. Although the ice was rough the game was fast throughout. Granum having the edge of the play from start to finish and had it not been for Palmer's good work on defence they would have run up a much higher score. The game was a clean one with but one penalty on each side. The lineup: Carmangay: Oates, Hubka, Moore, Henon, Miller, Palmer, Hicks, Neilson. Granum: Tovey, Reynolds, Wolfe, A. Marsh, E. The Granum "Rovers" Trail Ranger Hockey Team played a fast game with the team representing Claresholm last Saturday at the Granum rink. Claresholm had an advantage in weight, but were not able to beat Granum in the regulation time, for it was only through overtime that the visitors took the decision 4-2. The game was refereed by Braren of Claresholm. The return game will take place at the Claresholm rink on Saturday, the 18th at 3 o'clock. Both teams are very fast and clever. Granum lined up as follows, Goal, C. Field, defence, Anderson and Rompain, centre, W. Field, wings, Herman and Russell, subs, Arlt, Edwards, and Cochlin.

C. G. I. T. SOCIAL EVENING

The Granum Canadian Girls in Training met for their weekly meeting at the home of Mrs. Jas. Peterson who had given a kind invitation and who, assisted by her daughter Hieney and Mrs. Rompain and Allegra, entertained in a fine way. The group decided to adopt the Opening Ceremony which was used at the Meeting for the first time. They voted the Sum of ten dollars to the M. and M. Fund of the Church. And following devotional study under the Mentor, Mr. Rowe, all took part in a debate, "That Wealth is More Influential than is Education." The judges Mesdames Peterson and Rompain, and Mr. Rowe awarded the decision to the negative. Those present included Freda Sherman, Hazel Sherman, Vera Clarke, Elizabeth Simonson, Laura Yorgason, Rita Lantinga, Doris Sandgathe, Heiney Peterson and Dorcas Rowe. After generous refreshments by the hostess, music by Freda Sherman and Dorcas Rowe, and games, Freda conveyed the thanks of the Group to the Hostess, and the girls dispersed to meet for a "stunt" programme at the Hall next Tuesday, at 4:30 p.m.

YOUNG PEOPLES' SOCIETY

At the close of the service in the United Church last Sunday evening, a number of the young men and women gathered for a fireside chat, and decided to reorganize the Young Peoples' Society. A meeting was therefore called for Monday at 7:30 p.m. The meeting was opened with devotional exercises led by Mr. Rowe, and participated in by all. The business of organization was then done. It was decided to meet on Monday evenings at 7:30 o'clock. A fee of fifty-cents was fixed for the season. Four departments as in other years were recommended—viz. Devotional, Literary, Missionary and Social, each to have a Convener of programme elected one month ahead. It was decided to join the High River Presbytery Debating League. Officers were elected as follows: President, Miss Mary Smith, Vice-President, Miss Mae Henker, Secretary-Treasurer, Claude Marsh. Conveners for the first month, 1st. Miss Helen Sandgathe, 2nd, Miss Tryphena Hill, 3rd, Fenton Blair, 4th, H. H. Wolfe. The latter was thus elected to convene the Committee to arrange for the banquet to be held next Monday evening at 6:30 in the Church Hall. Mr. Wolfe chose as his helpers, Miss Lois and Mr. Bert Little.

INSTAL LODGE OFFICERS AT MACLEOD MEET — ROYAL PURPLE CONCLAVE DRAWS LADIES FROM LETHBRIDGE AND GRANUM

The Royal Purple lodge of Macleod was the centre of a triple installation on Tuesday night of last week, when the Provincial Deputy Superintendent, Honored Royal Lady Larson of Ponoka visited the lodge and installed the officers for 1930 of three lodges—Macleod, Lethbridge and Granum.

It was a unique celebration, in the fact that very seldom do three lodges meet in one centre for joint installations, and the Macleod lodge felt highly honored in being selected for such an important function. There was a large turnout of members present, about 20 coming from each of the lodges of Lethbridge and Granum.

For the Macleod lodge the following were installed: Past Hon. Royal Lady, Lady Baker; H.R.L., Lady Thompson; Assistant R.L., Lady Grier; L.L., Lady DeMan; Lec. TEST your Whisky This Way

POUR OUT a portion of "WHITE HORSE" and add an equal portion of water. Hold it around in your glass. First test it by the nose, and its delightful and pleasing aroma will at once be apparent to you, an aroma which almost baffles description. Then test your "WHITE HORSE" by slowly sipping it. Do not swallow at first—allow your palate to detect and appreciate its distinctive and delicious flavour. No other whisky can offer you such mellowness and smoothness or create such a deep sense of satisfaction and enjoyment.

After the installations were concluded a number of presentations were made. H.R.L. Thompson first presented Past H.R.L. Lady Baker with a P.H.R.L. Jewel. Then all the lodges made handsome presentations to the installing officer, Lady Larson. Macleod made a presentation to Lady Butler, their pianist, and to Lady Rutledge, the past secretary.

At the close the large company sat down to a splendid banquet. A delightful time was enjoyed by all, visitors and local members.

The New Year

Our Financial Year ends on January 31st. It is most important that we pay what we owe the bank and the wholesalers before that date. We can do this only if you pay us. The accommodation we can extend you during the coming year depends upon your paying us, because we must look to the bank and the wholesalers to finance us if we finance you, and we must clean up with them in order to get the accommodation. So there you are!

THE WHITE HALL

Macleod Local and Personal News

Mr. and Mrs. A. Gosta, of Calgary, turn. They were taken to Calgary were the guests of Mr. and Mrs. John Dillingham over the week-end.

Judge A. M. MacDonald of the District Court was a visitor at Blainmore on Tuesday, holding Court sessions in that town.

Mrs. W. A. Gordon, of Calgary, formerly of Macleod, is spending a holiday trip, in which they visited few days here as the guest of Mrs. E. Whipple and Mrs. McNay.

George P. Rowe of Ardmore left on Wednesday night for Rochester, where he will undergo treatment at the Mayo Brothers Medical Institution.

Rev. J. F. Knight, M.M., B.D., is attending and speaking at the Annual Congregational Meeting of the Taber United Church this evening.

A jolly dance was held at Rathmore last Friday night, the music being kept busy from 9:30 until 2:30 a.m. Mr. Moore and Mr. Strome called the quadrilles and lovely music was supplied by Mrs. Vise and Messrs. C. A. and J. A. Edgar.

An explosion occurred in the house occupied by Orson Derriest and family, and they narrowly escaped burning Monday about noon. Mr. Derriest, in lighting oil for his car, preparatory to going to Macleod, forgot the oil during the dinner hour and, in boiling over, it caused the explosion in the kitchen. Those at home rushed out of the house, one little girl, Edith, ran into the pantry, and when found missing, Bishop Parker, who was present, went in to get her and got his hair singed. Otherwise neither was hurt. A lamp on the wall, near the stove, became so hot it burst and the flames were quite bad. Mr. Derriest and Mr. Parker were able to put the fire out with snow, the fire confining itself to the kitchen. Mr. Derriest was slightly burned about the head.

Miss Irene Young was a charming young hostess at a delightful evening party given by her last week in honor of Miss Ruth Panter, a school chum, daughter of J. A. Panter, Assistant Superintendent C. P. R., who has been moved to Medicine Hat. There were 16 guests present and 4 tables of court were played. The first prize winners were Ruth Panter and Donald Sutherland. Consolation prizes were given to Gladys Conroy and David Conroy. During the evening the hostess presented the guests of honor with a dainty gift and an hour's dancing was enjoyed after a delicious lunch had been served. The young people all spent a most enjoyable evening, but their enjoyment was tinged with regrets at the departure of their chum of many years, as Miss Panter has been a very popular student of the High School and took a very active part in everything that was going on in connection with school affairs.

On Saturday forenoon last week Chief of Police Pringle, of Macleod, made a smart capture of four young men accused of stealing a 1929 Chevrolet coach in Calgary on Thursday of last week. They all came from Edmonton, and had been to Coult's and were on their way back to Calgary when Chief Pringle found them in the Rest Room. On being questioned they told the Chief that they had come from Edmonton and that their car was in the garage for repairs. The Chief found the car in Hoodless' garage, and being suspicious, he phoned Inspector Scott, A. P. P., Lethbridge, who told him the car had been stolen in Calgary. He at once arrested the boys, Jim McDonald, 17 years old, gave his address as Coult's; Bud Taylor, 17 years old, W. Thompson 17 years old, and Jim Taylor 16 years old, all three of Edmonton. The boys told Chief Pringle that they had spent the night in Lethbridge on their re-

The annual congregational meeting of the United Church, Macleod, was held Tuesday evening, with Rev. J. F. Knight, M.A., B.D., presiding. A large attendance of members and interested friends of the Church was present. After devotional services, Rev. Mr. Knight explained the annual meeting, which was to receive the reports from all departments of the church, so that all would know what had been done during the year 1929. There were 100 members, the youngest group of boys; Trail Rangers, Tuxis Boys, The Mission Band, C. G. I. T. Girls, Sunday School, Junior and Senior Chorus, The W. M. S., The Maintenance and Mission Fund, Ladies' Aid, The Church Board, and the Trustee Board. In each and all of these an increase in membership and finance was shown over previous years. The membership of the Church is increased, while the general standing and influence of the minister and his church is felt throughout the district.

Past Worthy Matron, Mrs. W. A. Gordon, of Fort Macleod Chapter No. 53, O. E. S., (now of Calgary), was present on Thursday evening in Macleod, and installed the elected officers for 1930. Mrs. Gordon was assisted by Mrs. M. McLean, Macleod. Mrs. A. Hill was elected to the office of Worthy Matron, and Mrs. F. Bailey to the office of Associate Conductress, but both being absent, they were not installed. The former occupants of these offices will continue till these ladies return. The following officers were installed: Worthy Patron, W. V. Price; A. M., Mrs. J. Swinerton; A. P., Jas. Young; Cond., Mrs. E. Sutherland; Sec., Jas. A. Webb; Treas., Mrs. E. Stevens; Chap., Mrs. M. McLean; Mar., Mrs. M. Adams; Org., Mrs. G. Knight; Adah, Mrs. L. Hamilton; Ruth, Mrs. N. S. Nicholson; Esther, Mrs. J. Young; Martha, Mrs. Z. Morag; Electa, Miss A. Taber; War, Mrs. M. Bawden; Sent., C. W. Stevens. At the close a splendid banquet was spread and a delightful time was spent round the festive board, Mrs. M. Whipple, Worthy Matron, presiding.
